

Sustainable Development Goals

Report 2024 - 2025

Message from the CEO

Ibadat International University Islamabad reaffirms its commitment to sustainability through the launch of its SDGs Report 2024–25. Aligned with the United Nations Sustainable Development Goals, the university is actively addressing global challenges such as climate change, inequality, and poverty through education, research, and community engagement.

This report highlights the university's progress in integrating sustainability into academics, reducing its environmental footprint, and promoting social responsibility. It reflects the collective efforts of students, faculty, and partners working toward inclusive, equitable, and lasting change.

As we continue this journey, we call on all stakeholders to collaborate in building a resilient and sustainable future.

Haider Ajajib

Chief Executive Officer (CEO)

Ibadat International University Islamabad

University's Vision:

Ibadat International University is committed to advancing the UN's 17 Sustainable Development Goals by 2030 through education, research, sustainable practices, and community engagement. Our vision is to empower future leaders, foster innovation, and build partnerships that contribute to a more inclusive, prosperous, and sustainable world.

Core Values:

- **Sustainability:** Commitment to environmentally responsible practices and promoting sustainable development in all university activities.
- **Integrity:** Upholding honesty, transparency, and ethical behaviour in education, research, and community engagement.
- **Excellence:** Striving for the highest standards in teaching, learning, innovation, and service.
- **Inclusivity:** Fostering an equitable and diverse environment where every individual is valued and empowered.
- **Collaboration:** Building strong partnerships within academia, industry, and communities to achieve shared goals.
- **Social Responsibility:** Engaging actively in initiatives that improve societal well-being and address global challenges.
- **Innovation:** Encouraging creative thinking and solutions that contribute to sustainable development.

SDG 1

1 NO POVERTY

Event Title: Relief Aid

Date: 14 July 2024

Description:

Following the catastrophic floods that displaced many in Rajanpur, South Punjab, Ibadat International University Islamabad, in collaboration with the University Social Services Club, organized a relief effort to provide essential supplies such as food, clean water, and shelter.

This initiative supports **SDG 1 – No Poverty** by addressing the immediate needs of disaster-affected communities and helping reduce the impact of extreme poverty in crisis situations.

Event Title: Spreading Joy & Healthcare: A Ramzan Visit to Orphanage by Department of Health Professional Technologies

Date: 24 April 2025

Description:

The Department of Health Professional Technologies organized a meaningful visit to an orphanage, offering free medical services to 45 children, including screenings, assessments, and ECGs. In the spirit of Ramzan, the team also distributed Rs 90,000 worth of Eid gift hampers, fresh fruits, dresses, and recreational items. A first aid box was donated, and an Iftar for 50 people was arranged.

This initiative aligns with **SDG 1 – No Poverty** by supporting vulnerable children with healthcare, basic needs, and emotional upliftment, helping reduce the impact of poverty on their lives.

Event Title – Iftar Drive

Date: 23 March 2025

Description:

In **Ramadan 2025** Ibadat International University Islamabad, organized an Iftar Drive event as part of its commitment to promoting inclusivity, community engagement, and fostering a sense of unity among its students, faculty, and staff during the holy month of Ramadan. The Iftar Drive aimed to provide a meaningful experience by distributing Iftar meals to individuals in need within the university community and beyond. The main objectives of the Iftar Drive to promote inclusivity and solidarity within the university community and provide support and assistance to individuals in need during the holy month of Ramadan.

Event Title: Nutritional Camp

Date: May 14th, 2024

Description:

Department of Diet and Nutritional Sciences Ibadat International University Islamabad participated in the medical camp at Standard Care Hospital on **May 14th, 2024**. Nutritional assessments along with personalized nutrition plan and dietary supplements were prescribed to the patients- all aligned with the UN Sustainable Development Goals (SDGs), particularly SDG-2 (Zero Hunger) and SDG-17 (Partnerships for the Goals).

Event Title: Product Development:

Date: May 14th, 2025

Description:

The Department of Diet and Nutritional Sciences, Ibadat International University Islamabad organized an Intra-Departmental Healthy Food Product Development Competition on World Dietitian Day on May 14th, 2025, aligned with the SDG 2 (Zero Hunger) and SDG 3 (Good Health and Well-being).

Event Title: Free Dengue Test Camp at Ibadat International University Hospital

As part of our commitment to **Sustainable Development Goal 3: Good Health and Well-being**, Ibadat International University Hospital is organizing a **Free Dengue Testing Camp** to promote early diagnosis and timely treatment.

Dengue is a growing public health concern, especially during seasonal outbreaks. Early detection can save lives and prevent severe illness. Through this initiative, we aim to strengthen community health by making essential diagnostic services accessible to all particularly vulnerable and underserved populations.

Event Title: Basic Life Support (BLS) Workshop and Hands-on Practice

Date: 1 January 2025

Description:

The Allied Health Society (IIUI), in collaboration with the Department of Health Professions at Ibadat International University Islamabad, organized a workshop on Basic Life Support (BLS). The session provided essential training on CPR, choking relief, and AED use, equipping participants with life-saving skills to improve emergency health outcomes. This initiative supports SDG 3 – Good Health and Well-being by enhancing emergency response capabilities and promoting healthier communities.

Event Title– Medical Camp

Description:

The Ibadat Social Services Club (ISSC), under the supervision of Mrs. Noreen Aamir, successfully organized a free medical camp on **December 28, 2024**, in collaboration with the Jamila Sultana Foundation and Umeed e Zindagi Welfare Foundation. This initiative aimed to bridge the healthcare accessibility gap by providing free, quality medical services to underprivileged communities. The camp embodied the university's commitment to social responsibility and offered medical students an invaluable platform for practical, hands-on learning in real-world scenarios.

Event Title - Anti-Drug Awareness Session & Walk

Description:

The Anti-Narcotics Force (ANF) Regional Directorate – North, in collaboration with Ibadat International University Islamabad, conducted an Anti-Drug Awareness Session and Walk on **26 September 2025** to educate students on the dangers of drug abuse and promote a drug-free lifestyle. The Event was aligned with **Sustainable Development Goal 3 (Good Health and Well-being)**, the event focused on prevention and awareness to combat substance abuse. Students, faculty, and ANF officials participated in the walk, demonstrating their commitment to a healthier, drug-free society.

Event Title: Free Eye Screening Camp

Organized by: Department of Vision Sciences, Ibadat International University Islamabad
Date: 5 March 2025

Description:

The Department of Vision Sciences at Ibadat International University Islamabad successfully organized a **Free Eye Screening Camp**, providing essential eye care services to students, faculty, and visitors. Expert ophthalmologists and trainees conducted free eye checkups, vision tests, and consultations, promoting awareness of eye health and preventive care.

SDG Alignment:

- **SDG 3 – Good Health and Well-being:** Ensuring accessible eye care to promote overall health.
- **SDG 4 – Quality Education:** Supporting vision health to enhance learning outcomes.

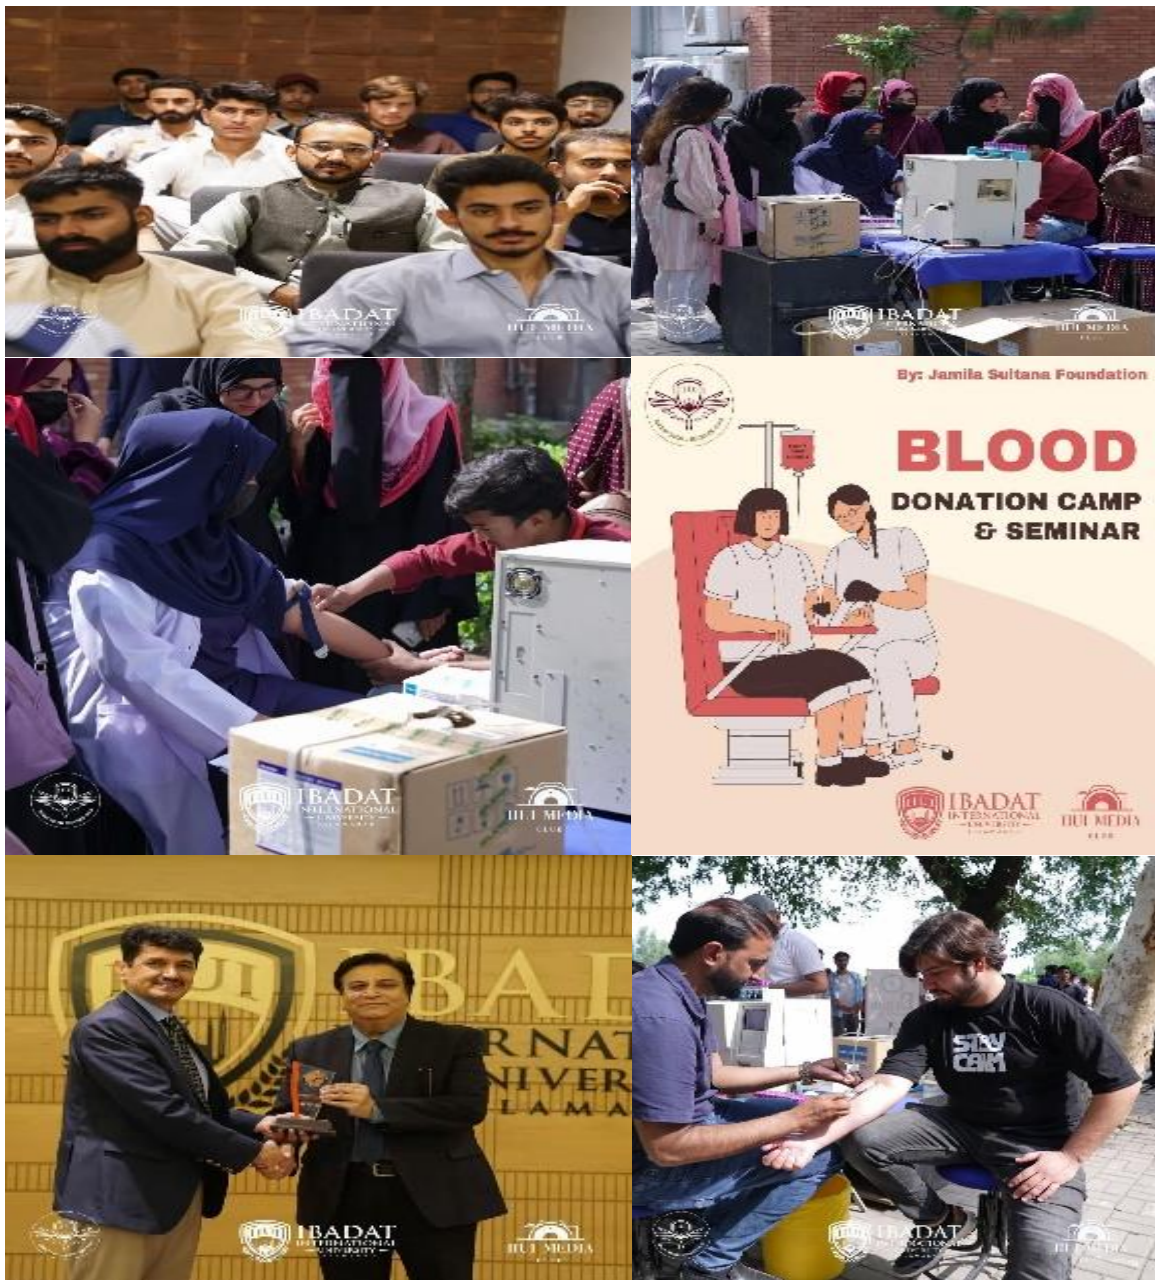

Event Title: – Blood Donation Camp

Description:

The Ibadat Social Services Club (ISSC) successfully organized a Blood Donation and Thalassemia Awareness Camp on May 7, 2025, in strategic collaboration with the Jamila Sultana Foundation. This event was conducted under the framework of the existing Memorandum of Understanding (MoU) between Ibadat International University (IIUI) and the Foundation, aiming to mobilize the university community for a critical humanitarian cause. The camp served the dual purpose of collecting vital blood units for thalassemia patients and the general blood supply, while simultaneously educating students, faculty, and staff on thalassemia prevention and the importance of regular blood donation.

Event Title: Student-Led Learning: A Teaching Strategy for SDG 4 - Quality Education

Description:

Student-led learning is an innovative teaching strategy aligning with Sustainable Development Goal 4 (SDG 4): Quality Education, emphasizing learner autonomy, critical thinking, and collaborative skills.

Key Aspects of Student-Led Learning

1. Autonomy and Agency: Students take ownership of their learning paths and goals.
2. Critical Thinking and Problem-Solving: Encourages deeper engagement with content.
3. Collaboration and Communication: Often involves group work, peer teaching.
4. Empowerment: Develops self-directed learners.

Implementation Approaches

- Flipped Classrooms: Students learn basics at home, use class time for discussions, projects.
- Project-Based Learning: Students work on real-world projects.
- Peer Teaching: Students teach concepts to peers.
- Learning Contracts: Students set goals, plan learning with teacher guidance.

Benefits for SDG 4

- Inclusive and Equitable: Can address diverse learner needs.
- Lifelong Learning Skills: Prepares students for continuous learning.
- Enhanced Engagement: Increases motivation through ownership.

Event Title: Capacity-Building Training Program

Description:

The Department of Diet and Nutritional Sciences Ibadat International University Islamabad, successfully participated in a specialized capacity-building training program on food systems transformation at Peshawar on June 27th, 2025. This initiative was developed by the Global Alliance for the Improved Nutrition (GAIN), a Swiss-based international nonprofit organization working to tackle malnutrition globally by improving access to nutritious diets. In collaboration with the National Agriculture Education Accreditation Council (NAEAC), GAIN designed this program to enhance the teaching capacity of university faculty. The program focused on sustainable food systems, research methodologies, and policy frameworks, aligning with the United Nations' Sustainable Development Goals, particularly SDG 2 (Zero Hunger) and SDG 4 (Quality Education).

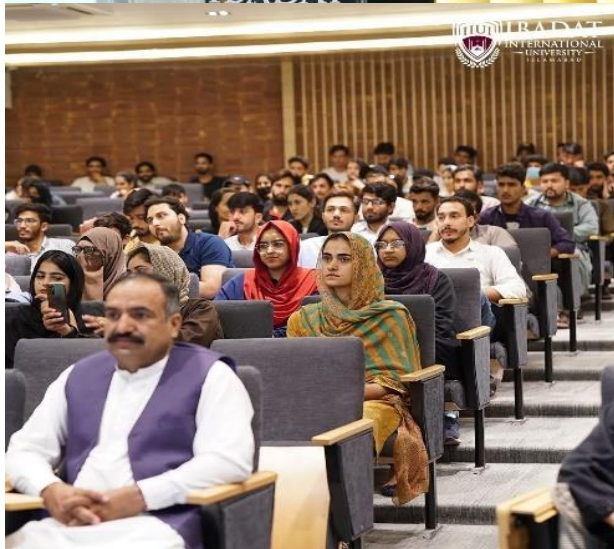

Event Title: Workshop on Enhancing Teaching Excellence

Description:

A workshop was conducted for the Faculty of Computer Sciences with the focus on enhancing the quality of education in line with Sustainable Development Goal 4 (SDG-4). The session emphasized modern teaching methodologies, digital transformation in education, and student entered learning approaches. Faculty members were engaged in discussions on improving curriculum relevance, integrating technology in classrooms, and fostering critical thinking skills among students. Dated: 03 March 2025.

Event Title: Visit to Smart forum 3G Technologies:

Description:

The students visited Smart Forum 3G Technologies, where they had an interactive session with industry professionals. The visit provided valuable exposure to practical insights in modern communication and technology solutions. Students learned about the company's innovative projects, current industry trends, and potential career pathways, making the visit a meaningful addition to their academic learning experience.

Event Title: Gender Equality in Academia: Faculty and Students

Description:

The event take place on **15 April 2025**, Promoting gender equality in educational institutions supports inclusivity, diversity, and empowerment for both faculty and students, aligning with Sustainable Development Goal 5 (SDG 5): Gender Equality.

Key Aspects for Faculty

1. Equal Opportunities: Recruitment, promotions, leadership roles should be gender-inclusive.
2. 2. Work-Life Balance: Policies supporting work-life balance (e.g., parental leave).
3. 3. Mentorship: Mentorship programs for career development.
4. 4. Address Bias: Awareness and mitigation of unconscious bias in evaluations, hiring.
5. 5. Inclusive Culture: Foster respectful, inclusive workplace culture.

6. Key Aspects for Students

7. 1. Equal Access: Equal access to education, resources, and opportunities.
8. 2. Scholarships/Support: Targeted scholarships or support for underrepresented genders in certain fields.
9. 3. Safe Environment: Campuses should be safe, addressing harassment, discrimination.
10. 4. Curriculum Inclusion: Integration of gender perspectives in curricula.
11. 5. Leadership Opportunities: Encourage student leadership regardless of gender

Event Title: Dengue Awareness, Prevention & Control Seminar

Date: 2 January 2025

Description:

The Department of Medical Lab Technology at Ibadat International University organized a seminar on **Dengue Awareness, Prevention, and Control** to educate participants about the disease, its symptoms, and effective preventive measures. The event emphasized community participation in controlling dengue outbreaks.

SDG Alignment:

- **SDG 3 – Good Health and Well-being:** Enhances public health by promoting awareness and prevention of infectious diseases.
- **SDG 6 – Clean Water and Sanitation:** Supports efforts to reduce mosquito breeding through improved sanitation.

SDG 6

Event Title: Breaking the Silence on Hepatitis – Bridging Science, Policy, and Public Health.

Description:

In observance of World Hepatitis Day, the Department of Health Professional Technologies hosted a powerful international webinar with participants from 11 countries on July 28, 2025. The session featured expert insights from Prof. Dr. Adebisola Adenike Owokole (Ireland) and Dr. Saman Nadeem (Pakistan), addressing strategies to eliminate hepatitis as a global health threat.

Aligned with SDG 3 (Good Health & Well-being), SDG 6 (Clean Water & Sanitation), and SDG 17 (Partnerships for the Goals), the event emphasized the importance of science, policy, and global cooperation in public health.

Event Title: Greenovation

Date: 10th December, 2024

Description:

The TMUC Greenovation Program is an esteemed platform aimed at fostering creativity and sustainability among students. It provides participants the opportunity to present innovative eco-friendly ideas and business models, offering a chance to contribute towards sustainable development goals and win prestigious recognition and awards.

Event Title: Generative AI & GeoTech: Shaping the Future of Work

Description:

On June 2, 2025, the Generative AI & GeoTech Seminar at Ibadat International University sparked innovation and insight.

Special thanks to Ahmed Iqbal for an inspiring kickoff!

By exploring the potential of AI and geospatial technologies, we're empowering future-ready skills aligned with SDG 08: Decent Work and Economic Growth.

SDG 9

Event Title: AI-Driven Insight: Exploring Human Activity & Behaviour

Description:

The Faculty of Computer Sciences at Ibadat International University hosted a seminar on “AI-Driven Insight: Human Activity & Behaviour.” The session explored how artificial intelligence can analyze and interpret human behavior to drive innovation and societal benefits.

The seminar was aligned with Sustainable Development Goal 9: Industry, Innovation, and Infrastructure, which emphasizes fostering innovation and building resilient infrastructure for sustainable development.

Event Title: Seminar titled “Artificial Intelligence and Probiotics”

Description:

The seminar, "Artificial Intelligence and Probiotics," explores the intersection of computational science and microbiology. The event took place on 06 December 2024. It will examine how AI is revolutionizing probiotic research, from accelerating strain discovery to personalizing micro biome treatments for improved global health, directly supporting **SDG 3: Good Health and Well-being**. The event also highlights AI's role in driving biotech innovation (**SDG 9: Industry, Innovation, and Infrastructure**) and fosters the cross-disciplinary partnerships essential to **SDG 17: Partnerships for the Goals**.

SDG 9

Event Title: Faculty visit to Huawei

Description:

The Faculty and senior students visited Huawei (12 March-2025) as part of their industrial learning activities. The visit offered them first-hand exposure to cutting-edge technologies, telecom innovations, and Huawei's role in driving digital transformation globally. Students had the opportunity to explore advanced ICT solutions, understand industry standards, and interact with professionals, making it a highly informative and inspiring experience for their future careers.

SDG 9

Event Title: Visit of Senior Batch SE and CS visit to NICAT Islamabad (2024)

Description:

The senior batches of Software Engineering (SE) and Computer Science (CS) visited NICAT Islamabad in 23 December 2024. The visit aimed to provide students with insights into innovation, entrepreneurship, and the role of technology incubation canters in supporting start-ups and techdriven ideas. Students interacted with professionals, gained awareness about real-world applications of their field, and explored opportunities for future collaborations in the tech ecosystem.

Event Title: Smart Forum 3G Technologies

Description:

The students visited Smart Forum 3G Technologies on 12 January 2025, where they had an interactive session with industry professionals. The visit provided valuable exposure to practical insights in modern communication and technology solutions. Students learned about the company's innovative projects, current industry trends, and potential career pathways, making the visit a meaningful addition to their academic learning experience.

Event Title: Seminar & Free Screening for Students

Date: 25 May 2025

Description:

This seminar and free diabetes screening aim to reduce health inequalities by providing accessible, no-cost health services to all students regardless of their background. By promoting early detection and education on diabetes prevention and management, the event helps bridge gaps in healthcare access and empowers underserved youth to lead healthier lives.

SDG 10 Alignment:

Reduced Inequalities: Ensures equitable access to health screenings and education, helping to close the gap in healthcare availability among different student groups.

Event Title: Diabetes Awareness and Hospital-on-wheels

Description:

Ibadat International University, in collaboration with The Diabetic Center (TDC), successfully organized a Diabetic Awareness Seminar and Free Screening Camp on **May 26, 2025**. The primary objective of this initiative was to combat the rising prevalence of diabetes by educating the university community about its causes, prevention, and management. The event provided a crucial platform for free health screenings, enabling early detection of at-risk individuals among students and staff, thereby promoting a proactive approach to health and well-being.

The Ibadat Social Services Club (ISSC), under the supervision of Mrs. Noreen Aamir, successfully organized a free medical camp on **December 28, 2024**, in collaboration with the Jamila Sultana Foundation and Umeed e Zindagi Welfare Foundation. This initiative aimed to bridge the healthcare accessibility gap by providing free, quality medical services to underprivileged communities. The camp embodied the university's commitment to social responsibility and offered medical students an invaluable platform for practical, hands-on learning in real-world scenarios.

Event Title- Model of Sustainable Urban Development

Description:

This project represents a model of sustainable urban development, focusing on environmentally friendly and resource-efficient solutions for future cities. The model includes features such as eco-brick roads, greenery with public parks, solar plates, wind turbines, an electric vehicle (EV) charging pump, and a rainwater harvesting system. The event took place on 13 April 2025.

Event Title: Capacity-Building Training on Food Systems Transformation.

Description

The Department of Diet and Nutritional Sciences (DDNS) at Ibadat International University participated in a capacity-building training program on food systems transformation on **28 June 2025**. The program, developed by the Global Alliance for Improved Nutrition (GAIN) in collaboration with the National Agriculture Education Accreditation Council (NAEAC), focused on sustainable food systems, research, and policy. It aligned with **SDG 2 (Zero Hunger)**, **SDG 3 (Good Health and Well-being)**, and **SDG 12 (Responsible Consumption and Production)**.

Event Title: Cheezious Visit

Description:

Exploring Sustainable Food Practices: From Classroom to Kitchen at Cheezious. The Department of Diet and Nutritional Sciences visited Cheezious in Bahria Phase 7 on 16th January, 2025.

This exciting field trip offered our students a unique chance to learn directly from industry professionals about sustainable food practices, quality assurance, and nutrition-all aligned with the UN Sustainable Development Goals (SDGs), particularly SDG 12 (Responsible Consumption and Production).

Event Title: The Plantation Drive

Description:

The Plantation Drive was held in collaboration with Alkhidmat Foundation Punjab North and Ibadat Social Services Club at Ibadat International University on 24 August 2025, aimed to promote environmental sustainability and support the United Nations' Sustainable Development Goals (SDGs), particularly SDG 13 (Climate Action).

Event Title: Ibadat International University Installs High-Capacity Reverse Osmosis (RO) System.

Description:

On **18 June 2025**, Ibadat International University installed a high-capacity **Reverse Osmosis (RO) system** with a capacity of **1000 liters per hour** and a **multi-stage filtration system**. This initiative ensures the continuous supply of clean and safe drinking water for students across campus. The installation is aligned with **Sustainable Development Goal 6 (Clean Water and Sanitation)**, which promotes universal access to safe and affordable drinking water and improved water quality through advanced treatment technologies.

📍 6.7Km Japan Road, Islamabad 🌐 www.iiui.edu.pk ☎ +92-051-111-448-448

Event Title: Going Green for a Sustainable Future

Date: 30 April 2025

Description:

Students of Ethics & Sustainable Development from BBA showcased innovative, eco-friendly projects under the theme '**Nurturing the Planet**', demonstrating their commitment to protecting and restoring terrestrial ecosystems.

SDG 15 Alignment:

Life on Land: Promotes sustainable land management, biodiversity conservation, and efforts to halt land degradation through student-driven environmental initiatives.

Event Title: World Food Day

Description:

Composting for Change: Celebrating World Food Day". The Department of Diet and Nutritional Sciences, in collaboration with NUMS, organized a seminar to promote sustainable environment through power of composting at university auditorium on October 23rd, 2024, contributing to the achievement of the UN Sustainable Development Goals (SDGs), particularly SDG 2 (Zero Hunger) and SDG 15 (Life on Land).

Event Title: World Annual Perfusion Week.

Description:

Celebrating World Annual Perfusion Week at Ibadat International University Islamabad, with the Department of Health Perfusion Technologies. Students showcased impressive projects and skits, earning appreciation from Chief Guest Dr. Muhammad Tariq Rao, Ex-HOD NUMS/NIHD, Ex-Chief Perfusionist AFIC, and Supervisor/Examiner at UHS. A remarkable event highlighting innovation and excellence in perfusion science and technology.

Event Title: Seerat-un-Nabi ﷺ Seminar on Peace, Justice, and Strong Institutions

Description:

This seminar highlights the exemplary life of Prophet Muhammad ﷺ as a guiding model for peace, justice, and strong institutions. Hosted at Ibadat International University, it explores how the Prophet's ﷺ teachings on compassion, fairness, and ethical leadership can inspire modern efforts toward building just and inclusive societies.

Title: Empowering Youth for Peace and Inclusive Communities: Ibadat University & AKFNP Partnership

Date: 24 April 2025

Description:

Ibadat International University Islamabad and Alkhidmat Foundation Pakistan Punjab North (AKFNP) have partnered to empower youth through education and social engagement. By providing training, internships, and volunteer opportunities, they promote youth participation in community development and humanitarian efforts. This collaboration supports SDG 16 by fostering peaceful, inclusive societies, encouraging civic participation, and strengthening institutions through active youth involvement.

Event Title: *Talking Cultures: Your Words Create Your World*

Date: 27 March 2025

Description:

The Department of Language & Literature at Ibadat International University Islamabad hosted a thought-provoking session titled *Talking Cultures: Your Words Create Your World*, led by Ms. Elsa Imdad Hussain. The session highlighted the power of language in shaping identity, promoting intercultural understanding, and fostering meaningful communication.

This initiative aligns with:

- **SDG 4 – Quality Education**, by enhancing linguistic and cultural literacy;
- **SDG 16 – Peace, Justice and Strong Institutions**, by encouraging respectful dialogue and cultural awareness.

Event Title: Top Tech Companies Visit Ibadat International University for Recruitment Drive

Description:

On 10 June 2025, top tech companies visited Ibadat International University Islamabad to conduct interviews for exciting internship and job opportunities. Our students stepped up with skills, confidence, and passion, ready to shape the future of technology.

This initiative highlights the university's focus on industry-academia collaboration, aligned with Sustainable Development Goal 17 (Partnerships for the Goals) promoting meaningful partnerships to drive innovation, employability, and sustainable development.

Event Title: MoU Signed Between IIUI and InnoVista to Boost Youth Entrepreneurship

Description:

Ibadat International University, Islamabad, and InnoVista have signed a MoU to empower youth in IT and launch the InnoVista Startups League on campus. This partnership focuses on mentorship, certifications, and future collaborations supporting innovation and entrepreneurship aligned with SDG 17: Partnerships for the Goals.

Event Title: AI in the Cockpit: Transforming Aviation through Innovation

Date: 2 May 2025

Ibadat International University, Islamabad

In collaboration with NICAT Pakistan and WAYFI

This seminar examines how artificial intelligence is revolutionizing the aviation industry by integrating advanced technologies into the cockpit. It highlights innovation in aviation systems, infrastructure improvements, and the evolving role of human pilots, driving progress towards safer and more efficient air travel.

SDG 17 Alignment:

Partnerships for the Goals: Emphasizes collaboration and multi-stakeholder partnerships to drive technological innovation and enhance aviation safety through AI.

Event: MoU Signing between IIUI and HECTA Solution

Date: 13 July 2025

Description

Ibadat International University Islamabad (IIUI) signed a Memorandum of Understanding (MoU) with HECTA Solution to establish a strong academia-industry partnership. The collaboration focuses on providing students with practical training, internships, and exposure to real-world projects, while also encouraging joint research and innovation initiatives. This initiative supports SDG 17 – Partnerships for the Goals by fostering sustainable collaboration that enhances education, professional skills, and knowledge exchange between academia and industry.

Event: Visit to Smart Forum 3G Technologies

Date: 2 March 2025

Description:

Students from Ibadat International University Islamabad visited Smart Forum 3G Technologies and participated in an interactive session with industry professionals. The visit offered insights into real-world tech solutions, innovative projects, and emerging trends, bridging the gap between academic learning and industry practice. This initiative supports SDG 17 – Partnerships for the Goals by strengthening academia-industry collaboration, promoting knowledge exchange, and building networks that enhance students' educational and professional development.

Event: Digital Pakistan Speed Programming Competition (DPSPC 2025) – Mock Sessions

Organized by: Ignite – National Technology Fund

Host: Ibadat International University Islamabad

Description:

Ignite – National Technology Fund launched mock sessions for the Digital Pakistan Speed Programming Competition (DPSPC 2025) at Ibadat International University Islamabad. The sessions offer students a hands-on coding experience, helping them sharpen their programming skills in preparation for the national competition. This initiative supports SDG 17 – Partnerships for the Goals by fostering collaboration between government, academia, and industry to promote digital skills, innovation, and capacity building among youth.
